

**THE BEST OF
ALL WORLDS**

TOYOTA

**THE ALL NEW
RAV4**

Powered by efficiency.

Feel the freedom of the open road or secluded trail with power and intelligent efficiency. Choose between a Dynamic Force 2.5-liter inline four-cylinder engine that is mated to a Direct Shift 8-speed automatic Transmission or paired with Hybrid's dual electric motors and an Electronically Controlled Continuously Variable Transmission (ECVT) both engineered to provide impressive acceleration and enhance fuel efficiency.

More capable. More fun. More memories.

When it's time to get away, RAV4 (Recreational Activity Vehicle) is ready to help you take on any trip. Impressive off-road capabilities give you the confidence to go further, and with up to 3500 lbs of towing ability, you can haul more of your gear. It's time to maximize your adventures for an experience you'll never forget.

MULTI-TERRAIN SELECT GROUND CLEARANCE
Offering you more capability when the pavement ends, RAV4 now features standard Multi-terrain Select on All-Wheel Drive (AWD) gas models. Choose between four modes (MUD & SAND, ROCK & DIRT, SNOW and NORMAL) for improved traction. When activated, the system is designed to sense slippage and regulate wheelspin by automatically adjusting the engine throttle, brakes and drive-force distribution — helping to maximize driving performance on different surfaces

MULTI-LINK REAR SUSPENSION
Enjoy a smooth ride that delivers driving confidence. RAV4's multi-link rear suspension improves handling and control by working with its natural body rigidity in order to keep traction steady.

GROUND CLEARANCE
Don't sweat the small stuff. RAV4's ground clearance lets you easily handle off-road trails and pathways. The ride height also gives you more confident view of what's around you.

*Available on selected models only

A25A-FXS Engine (2.5 L)

A new 2.5 liter "Dynamic Force Engine" that achieves high output and world-class combustion efficiency has been developed through the introduction of components such as VVT-iE and a Direct injection 4-stroke gasoline engine Superior version (D-4S).

M20A-FKS Engine (2.0 L)

Acceleration performance and fuel efficiency are just as good, if not better as competitor's turbocharged engines thanks to Direct Shift-CVT (Continuously Variable Transmission).

Bring along more of what matters. Standard RAV4 grades have the ability to tow up to 1500 lbs. RAV4 Hybrid takes it up a notch with a towing capability of up to 1750 lbs and adventure grade doubles that with an impressive 3500 lbs of towing capacity.

Bold style for every mile.

The bold style of the all-new RAV4 Hybrid models delivers a look that matches the thrill of the drive. An available two tone paint scheme gives it a look that's sophisticated off the road and polished on the streets. RAV4 XSE Hybrid's look is taken further with its exterior piano-black accents, while unique projector-beam LED headlights flank each side of the grille to help you see what's ahead.

THOUGHTFUL INTERIOR

Ready to impress, on or off-road. Feel an elevated level of refinement every time you enter RAV4. Premium materials, like the available SofTex®-trimmed seats and the comfort of an available 8-way power-adjustable driver's seat with memory function, put you in the center of it all.

8 INCH PREMIUM AUDIO TOUCH-SCREEN

DIGITAL REAR VIEW MIRROR

Get a clear view with the flip of a switch. RAV4 introduces Toyota's first camera based digital rear view mirror. The available feature uses a camera mounted up high inside the rear window for a wider field of vision - letting you see more of what's behind you.

*Available on selected models only

Limited AWD shown in Magnetic Gray Metallic with available Advanced Technology Package and roof rack cross bars. Cargo and load capacity limited by weight and distribution. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions. Always properly secure cargo and cargo area. Vehicle shown with some accessories not available from Toyota. Prototype shown with options.

Centrally located on the dash to help keep your eyes on the road, RAV4's available 8 inch multimedia touch-screen gives you access to its infotainment system. Intuitive pinch-and-zoom controls let you easily navigate through a variety of functions, while the available Wi-Fi Connect Ready to impress, on- or off-road. Feel an elevated level of refinement every time you enter RAV4. Premium materials, like the available SofTex®-trimmed seats and the comfort of an available 8-way power-adjustable driver's seat with memory function, put you in the center of it all. Powered by Verizon gives you a hotspot in town and helps keep you connected beyond city limits.

*Available on selected models only

Every trip begins with a Welcome

Powered to help you out. With the push of a button, the available power rear liftgate can open and close automatically. When your hands are full, the available hands-free power liftgate senses your Smart Key fob and opens automatically when you wave your foot under the rear bumper. Sit inside, and a convenient shelf between the upper and lower dash gives you the perfect spot to place smaller items. Getting ready for adventure is easier than ever.

SMART KEY SYSTEM WITH PUSH BUTTON START

No need to reach into your pocket or purse with RAV4's available Smart Key System. When RAV4 senses the Smart Key fob is near, you can lock and unlock the front doors and rear liftgate just by putting your hand on the door handle; or choose the available five-door Smart Key option to access all doors. Once inside, just press the Push Button Start and you're ready to go.

ACCESSORY POWER OUTLET

Power your gear wherever you go. All you have to do is access the rear cargo area and plug into RAV4's standard 12V/120W outlet to give you the charge you need to keep going. Adventure grade ups the power with an additional 120V/100W power outlet in the rear cargo area.

VENTILATED/HEATED FRONT SEATS & HEATED REAR SEATS

Make every seat more comfortable. Available ventilated and heated front seats cool or warm up on demand, while available heated rear outboard seats can help keep rear passengers warm.

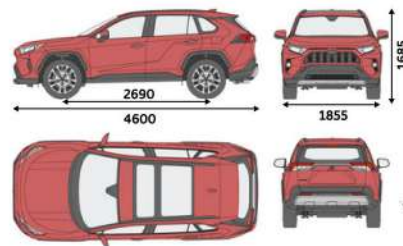

The best of all Worlds.

One-of-a-kind style, electrifying performance, inspiring capability and intelligent efficiency. RAV4 Hybrid has everything you look for when you're running around town, and everything you need when you head out of it.
