Page 16

POINT
04

Colours

Explore a range of elegant and distinctive colour choices.

Page 18

POINT
05

Specifications

Comprehensive details that define excellence and precision.

Page 19

EXTERIOR

LED rear combination lamp

The large rear combination lamps emit light seamlessly, giving the rear view a sense of elegance. Aero stabilizing fins are set on the outer lens surface to ensure excellent driving stability.

Luxury front grille

The elegance and Luxurious Front Grille design mark your presence wherever you go. (All Type)

A sharp gaze from three eyes.

A large, luxurious combination lamp integrates the functions of LED headlamps (high and low beam), clearance lamps, front turn signals, etc. The irregularly shaped three-eye LED headlamps further ensure nighttime visibility and leave an impression of a powerful gaze.

LUXURY REDEFINED THROUGH EFFORTLESS MOTION

THE ART OF UNDERSTATED LUXURY.

Dual power sliding door
(dual easy closer, anti-pinch function, one-touch seesaw switch)

One-touch seesaw switch

Power tailgate
(with tailgate easy closer, anti-pinch function, stop position memory function, power tailgate switch (vehicle side, tailgate bottom))

INTERIOR

A comfortable cockpit with attention to detail in every aspect.

12.3-inch TFT * Color meter + multi-information display (with meter illumination control)

Head-Up Display

Microcomputer preset driving position system

Steering switch

Digital inner mirror

Electric parking brake/brake hold

Note: Some features are not available in your region

A WELCOMING SPACE THAT PURSUES UNPARALLELED COMFORT.

Executive power seat [second seat]
A seating experience that is one class above the rest.

Executive Lounge
Make your journey a blissful one. Enjoy a unique moment.

Power Long Slide [World's first *]
Comfortable sliding operation.

Rear multi-operation panel (detachable)
A variety of functions can be operated with just a touch of a finger.

Seat operation switch
Intuitive seat operation.
Seat operation switches are located on the inside of the armrest. Intuitive shape allows blind operation.

- [1] Reclining
- [2] Slide/tilt
- [3] Ottoman
- [4] Ventilation
- [5] Heater
- [6] Smart Comfort
- [7] Neutral position

COMFORTABLE SPACE.

Fully automatic air conditioning with independent temperature control for the front, rear, left and right.

Power side sunshades for rear seats (sliding door glass, rear quarter glass)

Rear seat console vent
Spending time in the back seat is now even more comfortable.

Ceiling storage box

14-inch rear seat entertainment system

Hospitality driver's seat switch

Rear heater air curtain
A rear seat space that eliminates the need for a knee blanket. The rear heater outlets are set on the left and right

Comfortable heated seats + ventilation seats (front and second row)
Attention to detail creates a relaxing time.

THE OVERWHELMINGLY SPACIOUS INTERIOR ALLOWS YOU TO SPEND YOUR TIME HOWEVER YOU LIKE.

Reading light

A reading light that allows you to read documents comfortably even at night.

A reading light that uses high-brightness LEDs that allow you to comfortably read documents even in a dimly lit car.

Rear seat LED dome lamp

Lighting that can illuminate the entire rear seat or each seat individually.

A single interior light can be used to illuminate the entire room in living mode or each seat in personal mode.

LED roof color illumination (with color change and dimming function)

A total of 64 colored linear lights create a colorful interior illumination.

The colored LED linear lights on the ceiling are available in a wide variety of colors, with 14 basic colors and 50 custom colors for a total of 64 colors.

Hospitality central Panel *

A centralized hospitality switch that can be used to operate the LED roof color illumination, rear seat LED dome lamps, rear seat power side sunshades *, sliding door power windows, power door, and independent left and right moonroofs *.

Super long overhead console [Toyota first *1]

A smart ceiling that combines functionality and storage space.

Lighting, various switches, air conditioning vents, and other functions that were previously scattered throughout the ceiling have now been consolidated in the center of the vehicle. The ceiling is neat and tidy, and easy to use from anywhere in the rear seats.
